## Discount Illustration

Eligible for **30%** Discount on year 2 premium.

Customers pay **\$1,000** for initial premium and **\$700** for year 2 premium paid in advance.

No premium required again for 2nd year premium.

3rd Year premium onward is **\$1,000**.

\*Without any prior notice, we reserve the rights to stop this discount campaign or change the eligibility or discount percentage of this discount campaign.

## **i** Additional Notes

**How much do I pay for year 3 premium onward?**

You are required to pay annual premium of \$1,000 from year 3 onward as normal to continue the in-force status of your Policy.

**Can I request the year 2 premium I already pay back?**

You are allowed to request refund of Year 2 Premium Paid in Advance that is discounted back if Year 2 has not reached. However, you are not entitled to this discount anymore. You are required to pay due year 2 premium in full to continue the in-force status of the Policy.

**What if I want to cancel my Policy after purchase?**

If you cancel your Policy within 21 days from policy issuance date, your initial premium and Year 2 Premium Paid in Advance that is discounted will be refunded, minus medical examination cost (if any).

**Other notes**

The rest of product's terms and conditions under Insurance Policy are applicable as usual practice.
